

Regent London – The facts: How Regent London changes lives

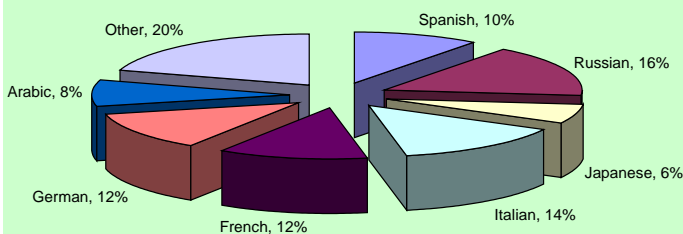

2011 was another very successful year for Regent London, and we would like to take this opportunity to thank you all for your incredibly hard work over the past year.

But for us the real joy was in seeing our students achieve **solid academic success** in IELTS and in **attaining their personal goals** – more confidence, greater fluency, better pronunciation, enhanced vocabulary...and of course having an experience that took them **beyond the classroom** and into the **global community**
